

Tongxu ZHANG

EDUCATION

Hong Kong Baptist University <i>Doctor of Philosophy in Computer Science</i>	Sept. 2026 – Jun. 2030 Zhuhai, China
The Hong Kong Polytechnic University <i>Master of Science in Biomedical Engineering, GPA 3.49/4.3</i>	Sept. 2023 – Jul. 2024 Kowloon, Hong Kong SAR
East China University of Science and Technology <i>Bachelor of Engineering in Automation, GPA 3.48/4</i>	Sept. 2019 – Jun. 2023 Shanghai, China

EXPERIENCE

Shenzhen University of Advanced Technology <i>Joint PhD Programme</i> Joint PhD Programme with Shenzhen University of Advanced Technology (SUAT) & Beijing Normal-Hong Kong Baptist University (BNBU)	Sept. 2027 – Jun. 2030 Shenzhen, China
The Hong Kong Polytechnic University <i>Research Assistant</i> Supervisor: Ir. Dr. Aaron LEUNG and Prof. Amy FU	Oct. 2023 – Jun. 2026 Kowloon, Hong Kong SAR
University of Macau <i>Quit from Doctor of Philosophy Program</i>	Aug. 2025 – Sept. 2025 Taipa, Macau SAR
Insta360 <i>Intern of Deep Learning</i> Optimize the aesthetic model for self-developed auto editing model	Jun. 2022 – Aug. 2022 Shenzhen, China

AWARDS

Outstanding graduates

Jun. 2023

Awarded by East China University of Science and Technology

Outstanding dissertations

Jun. 2023

Awarded by East China University of Science and Technology

School Scholarship

Sept. 2020

Awarded by East China University of Science and Technology

PROFESSIONAL SERVICE

Journal Reviewer: IEEE TMM, IEEE JBHI

Conference Reviewer: MICCAI, IEEE ICME, PRICAI, PRCV, ICIG

SKILLS & INTERESTS

Skills: Python, Pytorch, Opensim, Linux, Blender, CAD

Interests: Computer Vision, 3D Vision, Healthcare, Large Multimodality Model
